SHIP YOUR

HIDES

to John Nelson Hide Co., Kansas City,
Kansas
We are paying the highest prices for Hides, Furs and Tallow. The first shipment will convince you. Write us for shipping tags.

If you have tried our Gold Coin and Standard A Flour, tell your neighbors just what you think of it. If you have not tried either one of these flours, then ask your neighbor just what she thinks of them.

Our shorts, graham flour and corn meal are much better than you will find elsewhere, and our prices are less and quality better.

We have coffee coming that is decidedly better than any coffee you have been able to get. We guarantee you the best Peaberry Coffee in the world, aged in the green for four years, then parched and brought to you fresh, direct from the largest special coffee house in America, and there are no wholesale grocers, jobbers or traveling men between us and the house that imports it. We ask each family in Oregon and the whole country to give it one trial. We now have coffee at 3 pounds for \$1.00, or 10 pounds for \$3.25. Yes, and we are going to offer you very much better teas than than you have been buying. Try us just once.

We have many stumbling blocks thrown in our way by our competitors, but we have climbed right over them and sold you flour, shorts, feed, salt, coffee, tea, brooms, farm seeds, honey, cookies, cylinder oils, coal oil, etc., of better quality and for a little less to a great deal less money.

Tobacco, too, for less money. Can you repeat this? Tobacco hick, tobacco hick if you are well, 'twill make you sick; tobacco hick, tobacco hick, 'twill make you well if you are sick. We sell Little Recruit Cigars, too.

Remember, we have the best corn meal, the best flour and the best graham flour in town, and when our coffee and tea comes, we will have the best coffee or tea in the market, too, better than Chas & Sanborn's, better than Chocolate Cream—absolutely the best.

See our grass seed. We will receive a large shipment this week of red clover, sweet clover, and timothy.
